

We'll handle it from here.®

Dear Valued Customers:

We would like to thank you for your continued business at our Landfills and assure you that maintaining Safe Operations is our number one priority for both our customers and employees. As part of this we would like to re-inform you of our onsite Safety Requirements. Please share this important information with all of your drivers or anyone who might enter the landfill on your behalf. Violations of these policies will be documented and letters of such violations will be sent directly to Company Representatives followed by a phone call.

Thank you for your support.
